Warranty conditions

Dear Customer,

The **ALDI warranty** offers you extensive benefits:

Warranty period: 3 years from date of purchase.

Costs: Free repair/exchange.
No transport costs.

Hotline: Free hotline.

ADVICE: Please contact our service hotline by phone, e-mail or fax before sending in the device. This allows us to provide support in the event of possible operator errors.

In order to make a claim under the warranty, please send us:

- the faulty item together with the original purchase receipt and the completed warranty card.
- the product with all components included in the packaging.

The warranty does not cover damage caused by:

- **Accident** or **unanticipated events** (e.g. lightning, water, fire).
- **Improper use** or **transport**.
- **Disregard of the safety** and **maintenance instructions**.
- Other **improper treatment** or **modification**.

After the expiry of the warranty period, you still have the possibility to have your product repaired at your own expense. If the repair or the estimate of costs is not free of charge you will be informed accordingly in advance.

This warranty does not affect your statutory rights. In the event that a product is received for repair, neither the service company nor the seller will assume any liability for data or settings possibly stored on the product by the customer.

In order for us to be able to allow you to return your goods free of charge during the warranty period and to help us to process your claim quickly and accurately, it is crucial that you **call or email us to request an RMA number (Return Material Authorisation)** before you send an appliance back to us.
